

STAIR TRAC

PORTABLE WHEELCHAIR LIFT

The Garaventa Stair-Trac is an easy to use, portable wheelchair lift designed to attach to most manual wheelchairs. The powerful motor allows a small attendant to safely transport a larger passenger up or down stairs. The Stair-trac is suitable for indoor or outdoor use, in public buildings or private homes. It is an affordable and reliable accessibility solution.

STAIR-TRAC

FEATURES

- Attaches to most standard manual wheelchairs with push handles
- Robust battery - fully charged it can carry 150 kg (330 lbs) up 30 flights of stairs
- Works on virtually any indoor or outdoor stairway
- Stable and self supporting
- Durable steel reinforced rubber tracks grip stairs securely
- Detachable support handle for compact storage and easy transport
- Quick release safety belt
- Key switch controls unauthorized use
- Rechargeable batteries and charger

BENEFITS

- An economical alternative to stairway lifts and elevators
