Why Work Here?

“Creating an accessible world since 1977! Join a talented expanding team.”

- Garaventa Lift, a leading accessibility manufacture has entry level positions available for mechanical and electrical assemblers. If you are comfortable working with tools and have some mechanical or electrical aptitude, we will consider you for the position. Preference will be given to candidates that have the previous experience doing mechanical or electrical assembly in a production setting. The ability to read and interpret drawings, specifications, manuals, and work instructions is also an asset. Some heavy lifting required.

The position offers on the job training, excellent opportunity for growth within the company and an excellent benefits package, including an RRSP program.

About Garaventa Lift:

Garaventa Lift has a long-standing reputation as a world-class manufacturer specializing in LU/LA elevators, home elevators, and platform wheelchair lifts. Our passion is in creating an accessible world by developing and distributing products which promote barrier free access for all!
