Career Opportunity

Garaventa Lift is a world-class manufacturer of wheelchair lifts, LU/LA elevators and home elevators located in Surrey, BC. Currently, we are seeking a:

Production Planner

Position Summary

This position offers an excellent opportunity for an individual to excel in their career. You will become a key member of the operations management group.

Duties & Responsibilities

- Maintain S&OP, forecasting systems and associated planning BOMs.
- Assist in maintaining accurate product BOMs, Routings, and Costings, within the ERP system.
- Schedule all production orders and develop associated schedules to track their progress.
- Lead in the implementation and ongoing maintenance of a cycle count program.
- Develop schedules and reports to assist production personnel, in managing capacity and job/customer order due dates.
- Support processing of New Product and Engineering change implementations.
- Develop, implement, and maintain inventory and planning procedures/systems, both on the shop floor and within the ERP system.

Qualifications

- Diploma in Operations Management preferred.
- APICS - CPIM designation is considered an asset.
- 3-5 years of previous experience in production planning.
- Previous ERP/MRP system experience preferred.
- Knowledge of Lean, Kaizen and Kanban principles is considered an asset.
- Excellent time management skills, with the ability to multi-task and prioritize.
- Able to creatively problem solve, and trouble shoot.
- Advanced skills in Microsoft Excel applications.
- Must be detailed oriented and a self-starter.
- Excellent written and spoken English skills.

Garaventa Lift does offer competitive wages, along with an excellent benefits package and pension program. Interested candidates should respond by emailing a resume and cover letter, brandon.zolnierczyk@garaventalift.com complete with salary expectations.
