Why Work Here?

“Creating an accessible world since 1977! Join a talented expanding team.”

- Garaventa Lift, a leading accessibility manufacture has a position for a production welder. Duties include but are not limited to operating manual or semi-automatic flame cutting equipment, plasma cutting equipment, brazing equipment and MIG welding. Must be able to read & interpret welding drawings, specifications, manuals, and work instructions. Experience with sheet metal equipment is an asset. Some heavy lifting required, must be available for shift work.

This position offers excellent opportunities for growth within the company along with an excellent benefits package.

About Garaventa Lift:

Garaventa Lift has a long-standing reputation as a world-class manufacturer specializing in LU/LA elevators, home elevators, and platform wheelchair lifts. Our passion is in creating an accessible world by developing and distributing products which promote barrier free access for all!
